KEY WEST BUREAU**

MAIN P.O. BOX 1056  
KEY WEST, FLORIDA 33040

MFL - 3027  
2 Sept 1983

MEMORANDUM FOR: Director, FBIS

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report--Key West Bureau--August 1983

**I. OPERATIONS**

**A. Monitorial/Editorial**

A significant improvement in the quality, quantity and timeliness of coverage of the Dominican Republic from Key West should be noted in the near future, since in August the Bureau began to receive the LISTIN DIARIO newspaper with as little as 2 days delay. Originally purchased for background and resource material, the newspaper could prove to be far more valuable than expected. ✓

**B. Technical**

Three Panasonic TV monitors were installed on the top of the monitoring room console for the purpose of displaying the pictures of the three Havana TV channels receivable at the bureau.

During the month the bureau received: 2 IBM Selectric III typewriters--SN 4716354 and 4716373; and 1 antenna multicoupler (Delta El. SRMC 1 x 10 - LFB - 50, Md1 No. D1-10-12, .1-2 Norm SN: 906).

**II. ADMINISTRATION**

**A. Personnel**

became the bureau's newest monitor on 29 August.

STAT

**B. Buildings and Grounds**

Substantial reallocation of space in the old portion of the building has provided space for a rest area, complete with chaise lounge. The cruising center was moved into a room of its own with space sufficient for the addition of radioteletype intercept equipment and a position for training cruising monitors.

Great effort has been devoted to renovating the old portion of the building and salvaging and adapting existing furniture for use in our new quarters.
